## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Jeff Allen

(1) Provide a brief summary of:

(a) What this administrative regulation does: This regulation sets amounts for the various fees and fines issued by the board.

(b) The necessity of this administrative regulation: KRS 313.022(1) requires the board to promulgate administrative regulations regarding fees and fines.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This administrative regulation establishes a schedule of reasonable fees, fines, and other charges that do not exceed the national average of other state dental boards, as required by statute.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation establishes standardized fees and fines in conformity with its authorizing statute.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This amendment clarifies previous language, creates new fee categories and eliminates mandatory fine amounts.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary in order to create fee schedules for licenses, registrations, and certifications established in other administrative regulations within 201 KAR Chapter 8.

(c) How the amendment conforms to the content of the authorizing statutes: This amendment updates the schedule of fees and fines in conformity with its authorizing statute.

(d) How the amendment will assist in the effective administration of the statutes: The amendment ensures that the schedule of fees and fines issued by the board is clear, appropriate, and uniformly applied in compliance with applicable law.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This regulation will primarily affect the approximately six thousand dentists and dental hygienists licensed in Kentucky, as well as future applicants for such licenses. Dental labs doing business in Kentucky will also be affected.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it an amendment, including:

(a) List the actions that each of the related entities identified in question (3) will have to take to comply with this administrative regulation or amendment: This regulation will continue to require that entities pay all applicable fee(s). The vast majority of entities will experience no changes as a result of the amendment.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The costs for most entities will be unchanged as a result of this amendment. Exceptions include the establishment of a \$25 limited license fee for out of state providers performing charitable work in Kentucky as well as various penalties for the late renewal of sedation facilities and dental labs, which range from \$50 to \$200. Also, licensees who pay fines associated with settlement agreements or administrative hearings will

no longer need to conform to a mandatory fine schedule. Instead, these punitive costs will be determined on a case-by-case basis.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): All entities will benefit from the transparency and detail this amendment adds to the existing administrative regulation, thereby reducing non-compliance and associated costs.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: No added costs are anticipated as a result of the amendment.

(b) On a continuing basis: Added costs as a result of this amendment are anticipated to be negligible or nonexistent.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation? Licensure fees will fund implementation and enforcement of this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: The new fee categories will generate minimal revenue but should still cover the negligible expenses associated with implementation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: Yes, this administrative regulation is specifically intended to provide a fee schedule in accordance with its authorizing statute.

(9) TIERING: Is tiering applied? No, this amendment impacts all similarly situated practitioners equally.

## FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? None.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 313.022.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This amendment is not expected to alter the revenue generated by the existing administrative regulation.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This amendment is not expected to alter the revenue generated by the existing administrative regulation.

(c) How much will it cost to administer this program for the first year? This amendment is not expected to alter the costs associated with the existing administrative regulation.

(d) How much will it cost to administer this program for subsequent years? This amendment is not expected to alter the costs associated with the existing administrative regulation.

Note: If specific dollar amounts cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): None expected. Any increase in revenue from fees should be negligible and will likely be offset by a decrease in revenue from fines as a result of improved compliance.

Expenditures (+/-): None expected.

Other explanation: Not applicable.
